- \$800 million of **Semi-Discretionary** funding that is generally limited to social services and public safety spending, but over which the County has some discretion as to use of funds
- \$900 million of **Discretionary** funding from property taxes, sales taxes, other discretionary revenue, and beginning fund balance in the County's General Fund. The County has broad discretion over how to use this funding.

Where the money goes

- At \$4.9 billion, **Operating Budgets** for County programs and services account for most of the \$6.5 billion County budget. More detail on major program areas is included in the following sections.

What is a Budget?

A budget is an annual spending plan that provides authorization to spend money for certain purposes and establishes limits for how much can be spent in certain categories. A budget is also an expression of organizational policies and priorities, as it determines how limited resources will be allocated to accomplish the organization’s mission.

Sacramento County’s budget covers the fiscal year (FY) July 1 through June 30 and is governed by rules spelled out in the State’s County Budget Act and the County Charter. Additionally, State and federal laws restrict how the County spends much of the funding it receives, with even discretionary resources needed to meet local match requirements. The budget also reflects policies and priorities established by the Board of Supervisors.
