INTRODUCTION

Municipal Services departments provide consumer protection services, regulatory program services, and management of regional parks and open space to enhance the health, enjoyment and quality of life for the residents of Sacramento County.

Municipal Services departments include:

Agricultural Commissioner/Sealer of Weights and Measures/Wildlife Services — This Department delivers a variety of services and regulatory programs including plant quarantine and pest exclusion, pest detection, pest management, and pesticide use enforcement. The Sealer regulates commercial weighing and measuring devices such as grocery scales, gas pumps, truck scales, and ensuring that full measure is provided in all packaged goods and through automatic checkout devices. Wildlife Services is a cooperative program with the United States Department of Agriculture and Sacramento County and provides for the control of non-domestic animals such as skunks, opossums, raccoons, beavers, coyotes and birds that pose a threat to human health or safety or cause damage to property or livestock.

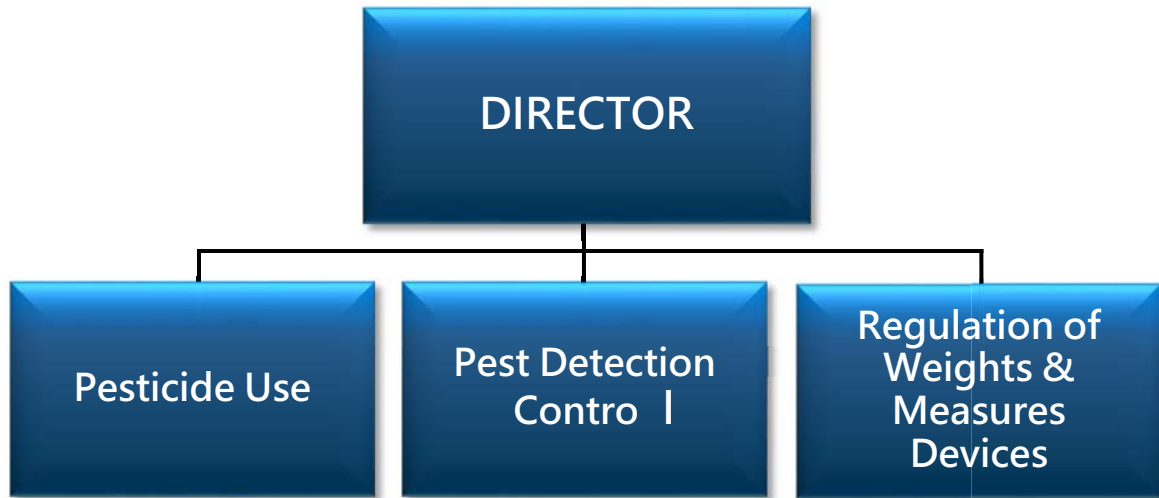

Animal Care and Regulation – Operates the County Animal Shelter, issues dog and cat licenses, offers animal adoption services, provides field services, conducts low-cost rabies vaccination clinics, and notifies owners of impounded licensed animals and provides for redemption by owners.

Regional Parks – Manages properties of the Regional Parks and Open Space system; educates the public about the use of leisure time activities and the cultural and natural history of the County; provides recreational activities to the general public and special populations of regional significance; manages three championship golf courses: Ancil Hoffman, Cherry Island and Mather; and oversees the long-term lease of Campus Commons Golf Course.

PROGRAM DESCRIPTION:

- The Agricultural Commissioner provides a variety of services and regulatory programs required by state law throughout Sacramento County including plant quarantine and pest exclusion, pest detection, pest management, and pesticide use enforcement.
- The Sealer of Weights and Measures is responsible for the state mandated regulation of commercial weighing and measuring devices such as grocery scales, gas pumps, and truck scales, as well as assuring that full measure is provided in all packaged goods and that automatic checkout devices provide correct pricing information.

MISSION:

To promote and protect Sacramento County agriculture and the environment; ensure the health and safety of our citizens; and to foster confidence and equity in the marketplace through the fair and equitable enforcement of the laws, regulations, and ordinances enacted by the people of the State of California and the County of Sacramento.

GOALS:

- **Agricultural Programs**
 - **Pesticide Use Enforcement** – To provide protection to the public, pesticide handlers, farmworkers and the environment, while allowing CalEPA registered pesticide products to be used in agricultural and non-agricultural situations in compliance with pesticide laws and regulations.
 - **Pest Detection** – To develop and maintain a pest detection program, which provides early warning of infestations of exotic pests detrimental to agriculture or the environment.
 - **Pest Exclusion** – To protect Sacramento County, California agriculture and the environment from invasive pests through the inspection of incoming shipments and conveyances that might harbor plant or animal pests.
 - **General Agriculture** – To ensure that service levels in each program are effective in meeting the needs of Sacramento County growers, processors, and residents. (Glassy Winged Sharpshooter [GWSS]; Crop Statistics; Nursery Inspection; Pest Management; Commodity Regulation).

GOALS (CONT.):

- **Weights and Measures Programs:**
 - **Device Inspections** – To prove the accuracy and correctness of commercial weighing, measuring and price scanning devices to ensure equity in the marketplace for all businesses and their customers. Inspection of all other commercial devices on an approved schedule.
 - **Quantity Control Inspections** – To enforce the Fair Packaging and Labeling Act in an effort to verify that packaged goods contain full measure as described on the product label and to ensure fair competition among packagers and fair value to the consumer.
 - **Petroleum Inspections** – To ensure that posted advertising medium at gas stations is accurate and appropriate.
 - **Weighmaster Inspections** – To ensure that when value of a product is based on weight determined in the absence of the buyer or seller, that the weight is accurately stated on a certificate issued by the weighmaster.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- **Invasive Pest Infestations**
 - The Japanese Beetle infestation in Carmichael has not been declared eradicated yet although no beetles were trapped last year. The intense delimitation trapping will continue this summer although there are currently no plans for any pesticide treatments in the area. Currently the plan is for the delimitation trapping to continue in Carmichael through the summer of 2019.
 - The Light Brown Apple Moth (LBAM) infested areas of the county require special trapping and inspection so that agricultural commodities that are considered host material may be exported. This trapping continues and is paid for by the growers that ship agricultural commodities from these areas of the county. The areas affected have not expanded significantly.
 - Asian Citrus Psyllid (ACP) has been detected in neighboring Yolo County and it would not be surprising to have it detected in Sacramento County in the near future. The Department is working with the California Department of Food and Agriculture to detect the pest before a resident population can be established.
- The Department hired the newly approved Chief Deputy Agricultural Commissioner/Sealer of Weights and Measures. The new Chief Deputy, Chris Flores, comes to us from Nevada County where she was the Agricultural Commissioner/Sealer. She brings to Sacramento County significant experience working with an Agricultural Advisory Committee and land use issues. These skills will be invaluable to this department. Thanks in great part to her efforts, the Agricultural Advisory Committee will be reconstituted and meeting before the end of Fiscal Year 2016-17.
- The Department filled the vacant Deputy Sealer position internally and that individual is now covering the needed duties and helping to mentor others studying for the Deputy Sealer exams. The hiring of the new Deputy Sealer along with the filling of two vacant Weights and Measures positions has resulted in a new enthusiasm in the staff working in the Weights and Measures programs and we expect inspection intervals to improve significantly in Fiscal Year 2016-17 and Fiscal Year 2017-18.

SIGNIFICANT DEVELOPMENTS DURING 2016-17 (CONT.):

- USDA Farm Bill funding and the California Department of Food and Agriculture have allowed for filling the vacant second Detection Dog Team handler. Interviews have been held and an experienced Detection Dog Handler from Contra Costa, Mariah DeNijs, has been hired along with her dog, Cairo. They began service in Sacramento County on May 10, 2017. Cairo will be retiring this year and Mariah will travel back to the USDA National Detector Dog Training facility in Georgia where she will be matched with a new dog and undergo a brief (4 week) training period. The current Detection Dog Team of Jennifer Berger and Dozer continue to intercept invasive pests particularly at the U.S. Postal facility in West Sacramento. Dozer was also scheduled to retire this upcoming year but due to Cairo's retirement has been approved to work an additional year to provide coverage at the U.S. Postal Facility in West Sacramento while the new dog undergoes the one year of training required for certification to work in the U.S. Postal Facilities.

Countywide Priority: 1 -- Flexible Mandated Countywide/Municipal or Financial Obligations

Strategic Objective: EG --Promote a healthy and growing regional economy and county revenue base through business growth and workforce employability

Program Description: The Pest Detection and Glassy Winged Sharpshooter (GWSS) programs are long standing contract programs that are substantially supported by State and Federal funding. FAC § 6401 requires that the Commissioner "immediately" inspect interstate shipments upon notice of arrival at destination. Contract agreement for GWSS requires inspection of intrastate shipments of nursery stock from So CA. Full cost is charged to the State contracts for the GWSS and Pest Detection programs. Exclusion programs are: High Risk Exclusion including the Canine Inspection Team; inspection of seed fields and commodities for export certification and issuance of Phytosanitary Certificates; and exclusion for Light Brown Apple Moth, Japanese Dodder, and European Grapevine Moth.

Strategic Objective: PS1 --Protect the community from criminal activity, abuse and violence

Program Description: Each of these programs are mandated by the California Food and Agricultural Code. All are delivered at minimal levels tied to their lack of adequate funding. Nursery Inspection being the exception due to significant risk of spreading agricultural and environmentally harmful pests and disease if inadequate inspections are performed. Food and Ag Code § 2279. The commissioner shall compile reports of the condition, acreage, production, and value of the agricultural products in his county. The commissioner may publish such reports, and shall transmit a copy of them to the director.

Strategic Objective: PS2 --Keep the community safe from environmental hazards and natural disasters

Program Description: The California Food and Ag. Code, Divisions 6 and 7, concerning the registration, sale, transportation and use of pesticides requires the following: • Division 6, Section 11501.5. The director, and the commissioner of each county under the direction and supervision of the director, shall enforce this division and the regulations which are issued pursuant to it. • Division 7, Section 14004. The director, and the commissioner of each county under the direction and supervision of the director, shall enforce this chapter and the regulations issued pursuant to it. Level of inspection is according to an annual work plan based on compliance history as well as local and statewide enforcement focus. Program services are required to be provided upon demand. For example business registrations, restricted materials permits, labor contractor registrations must be provided during normal business hours by an inspector licensed to provide those services.

Program Type: Mandated

Countywide Priority: 1 -- Flexible Mandated Countywide/Municipal or Financial Obligations

Strategic Objective: PS1 --Protect the community from criminal activity, abuse and violence

Program Description: The California Business and Professions Code mandates Weights and Measures Inspections and Title 5 of the California Code of Regulations specifies frequency of inspections. Quantity Control inspection is mandated, however, the frequency of inspection is not. Penalties for violations often return significant revenues to the General Fund through District Attorney actions.

PROGRAM DESCRIPTION:

- Wildlife Services is a cooperative program with the United States Department of Agriculture (USDA) and the County. The program provides for the control of non-domestic animals such as skunks, opossums, raccoons, beavers, coyotes and birds that pose a threat to human health or safety or cause damage to property or livestock in the unincorporated portions of the County and within the jurisdictions of incorporated city collaborators. All incorporated cities within the County, except the City of Sacramento and Citrus Heights, participate financially in the program, commensurate to the services provided to their residents.
- This budget unit is administered by the Agricultural/Sealer of Weights and Measures.

MISSION:

Provide service and protection through sound wildlife management practices.

GOALS:

- To safeguard public health and safety and protect Sacramento County’s agricultural, industrial, and natural resources through the science and practice of wildlife management.
- To provide a program that will reasonably assure county residents that they may safely enjoy parks, recreation areas, and residential neighborhoods while minimizing the threat of harm from non-domestic animals.
- To provide the agricultural industry and county residents with protection from damage to property and injury to livestock or domestic pets caused by non-domestic animals.
- To respond to all requests for service in a timely manner.
- To provide expert service and advice to the County residents and the agricultural community requesting help with problems caused by non-domestic animals.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- USDA entered into several Memorandums of Understanding (MOUs) with other jurisdictions for special projects to help backfill the revenues lost when the cities of Sacramento and Citrus Heights did not renew their MOU agreements in Fiscal Years 2012-13 and 2015-16 respectively. Although the loss of both cities has resulted in reducing the Full-Time Equivalent from 2.0 to 1.4, USDA’s additional MOUs with other jurisdictions for special projects prevented the loss of federal personnel providing the services and allowed the remaining jurisdictions with County MOUs to receive uninterrupted service.

SIGNIFICANT DEVELOPMENTS DURING 2016-17 (CONT.):

- USDA Wildlife Services staff worked with the Agricultural Commissioner to present a training session for local animal control personnel in the most appropriate ways to handle coyote incidents in urban settings which have become more frequent. The training was well attended and well received by both County and City staff from the surrounding jurisdictions.

PROGRAM DESCRIPTION:

The Department of Animal Care and Regulation:

- As required by state mandate, conducts a rabies prevention program through licensing and vaccination compliance and enforces California laws and county ordinances pertaining to animals.
- Operates the County Animal Shelter providing proactive animal adoption programs, foster and rescue programs and provides in-house veterinary medical care and spay/neuter services.
- Responds to complaints of animal bites or attacks, loose animals, nuisance complaints, cruelty and negligence concerns and emergency calls for animals in immediate danger or causing a public safety hazard such as an animal in traffic or an aggressive dog on school grounds.
- Provides twenty-four-hour emergency field services for response to injured and aggressive animals and to all public safety issues, as well as provides assistance to outside enforcement agencies when animals are involved.
- Provides funding to various nonprofit and community-based low-cost spay/neuter and vaccination clinic groups to optimize long-term reduction in volume of sheltered animals by paying for services for pets.
- Operates a mobile veterinary clinic program – the Bradshaw Animal Assistance Team (BAAT) – to provide no-cost vaccination, wellness and spay/neuter services directly in communities from which the shelter experiences higher than average intake of animals and for which demographics evidence a greater than average percentage of residents are living under low income or poverty conditions. The program is designed to promote the home retention of pets who might be surrendered to the shelter for medical needs and the prevention of litters of puppies and kittens who would be surrendered to the animal shelter when pet owner cannot place them in homes and can no longer keep them.
- Partners with local agencies for disaster preparation/response for animal care and support issues.
- Operates a Volunteer Program with more than 200 active volunteers who assist the shelter in a variety of capacities, including daily cleaning/feeding, fundraising, animal socialization, customer service, adoption counseling, fostering, mobile events, clerical duties, grooming and general shelter maintenance.

MISSION:

To provide public safety and protect the health and welfare of animals in our community.

GOALS:

- Provide a safe haven for all animals that enter our care and provide exceptional animal care services to our customers, both humans and animals.
- Increase the number of low-cost spay and neuter options in our region.
- Increase the number of animals that are adopted, returned to owner and rescued.
- Continue to improve and expand operations to solidify the shelter as the premier animal care facility in the Sacramento region.
- Deliver first class customer service to our constituents.
- Establish a comfortable, professional and rewarding environment for all staff and volunteers.
- Build and enhance volunteer services.
- Expand our existing donor base by continuing to engage the community.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

Conducted meetings with area partners Animal Spay Neuter Clinic (ASN), Sacramento Society for the Prevention of Cruelty to Animals (SSPCA), and Sacramento Area Animal Coalition to increase the capacity to spay/neuter animals in the community and in the County Shelter. A plan was developed with ASN and SSPCA to spay and neuter animals from the Bradshaw Shelter augmenting in-shelter veterinary staff resources. This additional capacity for spay/neuter surgeries allowed Bradshaw Shelter veterinary staff to attend to animals with more critical surgical needs and perform specialty surgeries saving more lives.

SIGNIFICANT CHANGES FOR 2017-18:

- The City of Citrus Heights has indicated they do not plan to contract for services with the County resulting in a loss of \$152,701 in revenues. County General fund used to backfill for the fixed costs of \$134,260 and the difference of \$18,441 reduced from food and medical in the Kennel program.
- Debt Service increased \$829,932 due to charging the full cost to the department, previously funded by Capital Construction Fund. The shift increased General Fund allocation to the department and the ability for the Capital Construction Fund to use the savings for capital projects.

RECOMMENDED GROWTH FOR 2017-18:

- One-time recommended growth request include:
 - Appropriations of \$169,200 offset by revenues of \$169,200.
- On-going recommended growth request include:
 - Appropriations of \$92,854.
 - Net county cost of \$92,854.
- Details are included in the Program Information – Growth Request Recommended section of this budget.

PROGRAM DESCRIPTION:

The Sunrise Park Maintenance and Recreation Improvement Assessment District (Antelope Area) was approved by the voters in July 2002 to provide funding for installation, maintenance, and servicing of public facilities, as well as debt service, issuance costs, and other expenses associated with the issuance and administration of bonds, lease obligations, or other financing for the public facilities and improvements within the Antelope Area Assessment District.

MISSION:

Our mission is to provide funding for installation, maintenance, and servicing of public facilities, as well as debt service, insurance costs, and other expenses associated with the issuance and administration of bonds, lease obligations, or other financing for the public facilities and improvements within the Antelope Area Assessment District.

RECOMMENDED BUDGET FUND BALANCE CHANGES FOR 2017-18:

The estimated decrease in available fund balance of \$27,640 is due to expenditures estimated to be closer to budgeted amounts.

RECOMMENDED BUDGET RESERVE BALANCES FOR 2017-18:

- Reserve - \$1,415,260.
- Reserve remains unchanged since Fiscal Year 2016-17 Adopted Budget.

PROGRAM DESCRIPTION:

The Carmichael Recreation and Park District is a dependent special district governed by a five-member Advisory Board of Directors appointed by the Sacramento County Board of Supervisors; the Board of Supervisors serve as the ex-officio directors of the District. The Carmichael Recreation and Park District is responsible for:

- Providing park and recreation services for the 52,000 residents of the unincorporated area within portions of Carmichael and Fair Oaks, a 9.25 square mile area.
- Maintaining 177 acres of parkland; 126 acres are developed, with 51 acres remaining undeveloped (13 park site facilities).
- Coordinating recreational activities at more than 14 school sites as well as the District’s recreational centers at three park sites.
- Acting as co-sponsors for many community groups and organizations, working to facilitate and provide for numerous projects and programs.
- Operating tennis courts, ball fields, soccer fields, basketball courts, playgrounds, picnic areas, outdoor amphitheater (stage and band shell), volleyball courts, disc/golf courses, botanical garden and nature areas.
- Since 1984, improving, operating and maintaining the La Sierra Community Center, consisting of 36.8 acres of land and 145,700 square feet of building. Until September 26, 2000, the site was leased by the County to the Carmichael Recreation and Park District. Subsequently, the County has transferred ownership to the District. Amenities include basketball/volleyball gymnasiums, a community hall, theatre, fine arts center, office, meeting rooms, tenant space, hard surface courts, sports complex, and maintenance shop.
- Hosting and sponsoring many special events, such as the Summer Concert Series and Movie Nights, Carmichael 4th of July Gala Fireworks Show, Carmichael Founders Day, Wall of Honor, Community Tree Lighting, Silent Sleigh for deaf and hard of hearing, Easter Egg Hunt, Creek Week Celebration, and Adopt-a-Park program in various District parks.

MISSION:

Our mission is to satisfy the recreational needs of the community by providing a wide range of facilities and opportunities to enrich the quality of life.

GOALS:

- Encourage community involvement and responsibility through collaborative efforts and partnerships.

GOALS (CONT.):

- Promote the usage of district facilities, programs and opportunities by all members of the community.
- Modernize, renovate and maintain the existing developed facilities and recreational areas.
- Improve and expand community services and programs to meet dynamic community needs.
- Secure sufficient resources to achieve the district's five-year goals.
- Continue to promote open space.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- Paid off all remaining long-term debt, which included annual loan payments totaling over \$310,000. Future savings can be used to improve service levels and purchase equipment.
- Carmichael Park – Improvement made to the Vet's Hall Playground, which involved the replacement of the playground surface.
- La Sierra Community Center – Improvements accomplished: Gyms Floors – replaced 50+ year old hardwood floors in both Gyms; Sewer Line - replacement was completed, Roof replacement/improvements to Suite 150, 170, and the Villareal Gym; John Smith Community Hall renovation improvements.
- Received a grant through SMUD to offset the costs to replace lighting, throughout the La Sierra Community Center, with LED technology.
- Vehicles – Purchased three new vans (2- 15 passenger; 1 – 12 passenger) for the Recreation Division, two of which were replacements of existing vans that were 11 and 13 years old and the third was the addition of a van to meet increasing program demand. Purchased a one-ton Utility Pick-Up Truck for the Maintenance Division which replaced a 23-year-old truck and added a new heavy-duty turf vehicle to enhance park maintenance service levels.

SIGNIFICANT CHANGES FOR 2017-18:

As a result of the Consolidation Feasibility Study conducted during 2015-16, the District has addressed the recommendations made in Option #2, which called for select operational changes to improve efficiency and cost effectiveness of operations. Planned Implementation includes:

- Use contracted services versus full time park maintenance workers to maintain neighborhood parks and provide custodial services at facilities.
- Add additional funding for contract maintenance through budget savings realized with the payoff of loans and through savings from reduction in force of full time employees through attrition.
- Expand and revise the work program of the Recreation Manager.
- Increase marketing to improve overall cost recovery of the Recreation Division.
- Eliminate the Administrative Secretary-Clerk of the Advisory Board classification that is currently vacant and apply savings to fund improved service levels in Park Maintenance.
- Move District utility costs to the Parks and Facilities Division to reflect the true cost of maintaining and operating parks and facilities.

STAFFING LEVEL CHANGES FOR 2017-18:

- The following positions are recommended for addition as part of the Fiscal Year 2017-18
Recommended Budget:

Facilities Technician	1.0
Facilities Coordinator	<u>1.0</u>
Total	2.0

- The following positions are recommended for deletion as part of the Fiscal Year 2017-18
Recommended Budget:

Park Maintenance Worker II	-2.0
Secretary/Receptionist	<u>-1.0</u>
Total	-3.0

RECOMMENDED BUDGET FUND BALANCE CHANGES FOR 2017-18:

The estimated decrease in available fund balance of \$173,649 from the prior year is due to a one-time revenue increase in 2015-16 from the sale of interest in the cell tower lease.

RECOMMENDED BUDGET RESERVE BALANCES FOR 2017-18:

General Reserve - \$10,000

This estimated reserve is being established to fund future equipment needs.

PROGRAM DESCRIPTION:

The Carmichael Recreation and Park District Parks Maintenance and Recreation Improvement District (Carmichael RPD Assessment District) was approved by the voters in April 2014 to provide funding for installation, renovation, maintenance and servicing of public recreational facilities and improvements within the Carmichael Recreation and Park District and incidental associated expenses as detailed in the Engineer’s Report. The District’s assessment was invalidated by Sacramento County Superior Court and funds are being refunded to eligible applicants.

RECOMMENDED BUDGET FUND BALANCE CHANGES FOR 2017-18:

The estimated decrease in available fund balance of \$551,458 from the prior year is due to refunds of assessment revenue to eligible applicants after invalidation of the District’s assessment as well as associated costs.

PROGRAM DESCRIPTION:

The Mission Oaks Maintenance and Improvement Assessment District was approved by the voters in July of 1998 to provide funding for maintenance and improvement projects within the Mission Oaks Recreation and Park District. A new ballot measure was approved by voters in 2006, increasing the previously established rate and including an annual Consumer Price index not to exceed three percent in any one year.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- Gibbons Park – Beginning the development of a new Master Plan for Gibbons Park.
- Successful Grant approval from State Parks for the development of the Mission North Pathway near Chicken Ranch Slough.
- Swanston Park – Replacement of outdoor restroom facility.
- Eastern Oak ground breaking scheduled for May 6, 2017.

SIGNIFICANT CHANGES FOR 2017-18:

- Gibbons Park Master Plan - Phase I for sustainability.
- Eastern Oak Park Development completion.
- Continued District-wide irrigation upgrades – multi-year sustainability project.
- Continued ADA plan for District-wide projects.

PROGRAM DESCRIPTION:

The Mission Oaks Recreation and Park District is a dependent special district governed by a five-member Advisory Board of Directors appointed by the Sacramento County Board of Supervisors; the Board of Supervisors serves as the ex-officio directors of the District. It covers a 9.1 square mile area in the Arden-Arcade and Carmichael communities of Sacramento County, an area of approximately 62,500 residents. The Mission Oaks Recreation and Park District:

- Provides recreation programs and services to residents, including preschoolers, youth, adults, and senior adults.
- Maintains 11 District-owned parks (88.75 acres).
- Maintains four school parks (13.7 acres).
- Maintains Hazelwood Greens, a county owned drainage retention basin (1.8 acres).

MISSION:

Mission Oaks Recreation and Park District provides unique neighborhood destinations for recreation and personal enrichment.

VISION:

Mission Oaks Recreation and Park District creates healthy, attractive, exciting and sustainable parks, and recreational services that transform the communities we serve.

GOALS:

- Communicate the value of programs and services.
- Ensure the delivery of services and facilities for the benefit of current and future generations.
- Create continuity in District staffing infrastructure to maintain the community’s confidence in District leadership and management.
- Ensure financial stability while meeting community expectations and responding to opportunities for growth.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- In September 2016 the Advisory Board of Directors recommended the hiring of Daniel Barton as the new District Administrator. He has been asked to lead the District into its next phase of providing quality recreation and park services.

SIGNIFICANT DEVELOPMENTS DURING 2016-17 (CONT.):

- The District added several part-time positions to the Sacramento County Employees Retirement System after it was discovered that the District was not in compliance with the County Benefit Agreement from 1986.
- Eastern Oak Park Redevelopment is in its last phase of the approval process and construction for the new park plaza, playground, walking path and pickle ball court should be completed in October 2017.

SIGNIFICANT CHANGES FOR 2017-18:

- Elimination of filled, part-time positions and addition of 9.0 full time positions due in part to the recommendations of the 2015-16 Consolidation Feasibility Study for the Carmichael and Mission Oaks Recreation and Park Districts. The staffing re-organization will save the District thousands of hours in personnel cost and will help to address the issue of the minimum wage increases over the next few years.
- Gibbons Park Redevelopment Project is set to begin construction on the Walking Trail in early fall. Finalizing the Master Plan for the parks redevelopment is underway.

RECOMMENDED GROWTH FOR 2017-18:

- On-going recommended growth requests include:
 - 9.0 FTE
- Details are included in the Program Information – Growth Request Recommended section of this budget unit.

STAFFING LEVEL CHANGES FOR 2017-18:

The following positions are recommended for addition as part of the Fiscal Year 2017-18 Recommended Budget:

Park Maintenance Worker I.....	2.0
Park Maintenance Worker II.....	1.0
Bookkeeper	1.0
Office Coordinator	2.0
Recreation Specialist.....	2.0
Administrative Analyst.....	<u>1.0</u>
Total	9.0

RECOMMENDED BUDGET FUND BALANCE CHANGES DURING 2017-18:

The estimated decrease in available fund balance of \$579,006 is due to expenditures and revenues estimated to be closer to budgeted amounts.

RECOMMENDED BUDGET RESERVE BALANCE FOR 2017-18:

Reserve – 549,375

District policy dictates a balance of 10 percent of the operating budget. Reserve reflects a decrease of \$73,388.

PROGRAM DESCRIPTION:

The Sunrise Recreation and Park District is a dependent special district governed by a five-member Advisory Board of Directors appointed by the Sacramento County Board of Supervisors; the Board of Supervisors serves as the ex-officio directors of the District. The District is responsible for:

- Providing park facilities and recreation services for a population of 163,000 in the City of Citrus Heights and unincorporated communities of Antelope and Foothill Farms, within a geographic area of 27 square miles in northern Sacramento County.
- Administering 31 developed parks that include three community centers and two aquatic facilities. The District also owns and maintains ten open space sites and one nine-hole par three golf course totaling 487 acres.

MISSION:

Our mission is to be responsive to the communities’ needs for an enhanced quality of life and to advocate for positive social interaction by offering a variety of affordable recreation and learning opportunities to individuals of all ages and abilities; providing clean, safe, well-designed parks and facilities; strengthening community image and sense of place; supporting economic development; promoting health and wellness; fostering human development; increasing cultural unity; protecting environmental resources; facilitating community problem solving; and collaborating with community partners.

GOALS:

- **Park Acquisition and Development**
 - Acquire sufficient park lands for present and future needs.
 - Work closely with the City of Citrus Heights and the communities of Foothill Farms and Antelope to expand recreational opportunities, promote and enhance service delivery, and identify properties for acquisition.
 - Assist in establishing multiuse trail and parkway systems within the District, consistent with the countywide system.
 - Encourage the dedication of sufficient park lands and the provision of open space corridors associated with new development in an orderly manner harmonious with the District’s Master Plan.
 - Coordinate park site acquisition, development, and recreation programs with school districts, other special districts, county agencies, and related private organizations.

GOALS (CONT.):

- **Programming**
 - Provide recreational opportunities and facilities to meet the physical, social, environmental and cultural programming needs of the District residents.
 - Provide a park system which shall serve the needs of all ages, interest groups, and persons of varied economic levels.
 - Foster community ownership by making District programs and facilities part of residents' lifestyles.
 - Continue to expand recreational programs and opportunities conforming with public desire and the District's capabilities.
- **Planning**
 - Plan for the improvement of existing parks and development of proposed parks, maintaining a balance between active and passive recreational opportunities.
 - Seek public input on park issues in an effort to enhance awareness of the District, its facilities, programs and services.
 - Anticipate needs and recognize trends and innovations in appropriate technology.
 - Utilize financial resources efficiently and equitably.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

Revenues continue to increase due to anticipated increase in Property Tax.

SIGNIFICANT CHANGES FOR 2017-18:

- Revenues have increased due to the following: a continued increase in anticipated Property Taxes, the addition of Construction State Aid due to a Housing Related Park Program (HRPP) Grant at Eugene H. Ahner Park, Insurance Proceeds due to expected payments, Recreation Service Charges due to expected collections, and Park Impact Fees due to Capital Improvement projects.
- Expenditures have increased to match newly expected revenues in the areas of Regular Employees, Extra Help, Group Insurance, Workers Compensation Insurance, various Services and Supply Accounts, Taxes/Licenses/Assessments, Contingency, and Capital Improvement projects.
- Full-time position counts increased from 19 to 22.

RECOMMENDED BUDGET FUND BALANCE CHANGES FOR 2017-18:

- On-going recommended growth requests include:
 - Appropriations of \$241,356 offset by revenues of \$241,356.

PROGRAM DESCRIPTION:

The Department of Regional Parks acquires land and manages properties of the regional park and open space system, educates the public about the use of leisure-time activities and the cultural and natural history of the County, and provides recreational activities to the general public and special populations of regional significance.

MISSION:

Enhance the health, enjoyment and quality of life in the region by:

- Acquiring, managing, and protecting park and open space lands.
- Educating the public on the uses and values of leisure time activities, and the cultural and natural history of the County.
- Growing and linking a system of regional parks, trails and open space in Sacramento and neighboring counties.
- Providing a broad range of recreational activities for the community’s diverse populations.
- Providing stewardship and protection of Sacramento County’s regional park system through partnerships, planning and community involvement.

GOALS:

- Provide affordable, accessible, clean and safe recreational activities and facilities for all.
- Protect natural habitats and the environment.
- Preserve cultural and historical resources.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- Relocation of Parks Operations office into a more appropriately sized and configured facility was postponed until June 2017.
- Significant flooding damaged trails and other park infrastructure which kept park facilities closed to the public resulting in decreased revenues.
- The River Safety Campaign, “Life Looks Good on You,” and “Kids Don’t Float” program were very successful and resulted zero recreational drownings in the summer of 2016.

SIGNIFICANT CHANGES FOR 2017-18:

- The Board directed staff to re-negotiate the lease agreement with GRP 2011 LLC for the operation of Gibson Ranch.
- Grazing as a means for fire fuel load reduction in the American River Parkway, Dry Creek Parkway, and Open Space areas will be severely limited due to budget restraints.

RECOMMENDED GROWTH FOR 2017-18:

- On-going recommended growth requests include:
 - Appropriations of \$854,827 partially offset by revenues of \$780,625, of which \$30,000 is one-time.
 - Net county cost of \$674,202.
 - 1.0 FTE
- One-time recommended growth requests include:
 - Appropriations of \$600,000 offset by revenues of \$600,000.
- Details are included in the Program Information – Growth Request Recommended section of this budget unit.

Program Description: Natural Resources Management Plan: The Natural Resource Management Plan (NRMP) is intended to fulfill several goals and policies described in the American River Parkway Plan. The Department will have opportunities for the NRMP scope of work to include maintenance and operation elements that could be reviewed as part of a new permit application process that has been initiated by the Central Valley Flood Protection Agency and the Army Corps of Engineers. This new permitting (Section 408 Permits) may be required for nearly all maintenance and construction activities on the American River Parkway.

Program Description: To support the Department's ongoing efforts to respond to illegal dumping and trash, the Department is proposing a new pilot program focused on debris and trash removal from flooding, illegal camping, and illegal dumping which continue to accumulate and are spread in small piles in hard to reach locations in the American River Parkway. In addition the Department is proposing to increase part-time staff hours for a visitors services team who will provide services such as fire watch in high fire risk areas, visitor information in locations where front gate staff is not normally available, and act as a resource contact for Park Rangers and emergency responders when necessary to support visitors throughout the afternoon recreation and commute time.

Program Description: River Safety: Funding to support the on-going River Safety campaign for the American River Parkway. This enables Park Rangers to continue the River Safety education campaign to educate the public regarding River Safety and the importance of wearing personal flotation devices if recreating in the area rivers. This includes the purchase of personal flotation devices to place along the river as well as the advertising campaign for public outreach. By implementing this program in 2016 the department decreased recreation related drownings from 13 to zero as compared to the 2015 summer season.

Program Description: Dillard Ranch Operations: This growth request accommodates the annual operating costs necessary to own and manage the Dillard Ranch Property in the community of Wilton. All property acquired by the County has some cost of ownership incurred by the Department for managing the property on behalf of Sacramento County residents. The Dillard Ranch will have ongoing property management responsibilities including well maintenance, fire break maintenance, fencing repairs and other operating costs on an annual basis. The revenues from the existing grazing operations generate about \$30,000 annually and the additional \$30,000 is generated from a contribution from Supervisor Nottoli for the first year of operations.

Program Description: Deputy Director: This request includes the addition of Deputy Director consistent with the Service Review Report provided to the Board in February 2017. The Deputy Director position is identified by the Department as the first priority in order to facilitate the initiation of the American River Parkway Natural Resource Management Plan (NRMP). In order to complete the NRMP, the Department needs a single point of contact to coordinate consultants, stakeholder input, and facilitate the timely completion of the Plan. Once completed, the Deputy Director would work to implement the NRMP and expand their duties to include oversight of the recreation, planning, therapeutic services and administrative divisions of the Department. Additionally this position will coordinate the Department's involvement with the new growth areas in Sacramento County.

Program Description: Ancil Hoffman Parking Lot and Fencing: Funding for the repairs of the Ancil Hoffman Park Parking Lots and replacement of the Ancil Hoffman Park Fence. This is a transfer into the Parks Construction Fund. The parking lots at Ancil Hoffman Park are in dire need of repair. This funding will allow the Department to enter into a contract with a paving company for these repairs, rather than piecemeal repairs done by staff as time permits. These repairs will prolong life of the parking lot. The fence at Ancil Hoffman Park is in various states of disrepair. The chain link fence around the maintenance yard and along the perimeter of the golf course does not provide a positive visual first impression when entering the park and should be replaced to a more visually appropriate fence that complements the golf course and park.

Program Description: Grazing: Funding for grazing contracts on the American River Parkway and Dry Creek Parkway for fire risk reduction. Grazing has proven to be an effective, environmentally friendly means to reduce the fire fuel loads in the Regional Parks system. Past activity has been funded with one time authorizations from the Board of Supervisors and salary savings from the Department. The benefits of funding this growth request include improved safety on both parkways, protection of the natural environment and reduction of power outages due to fire impacts in the lower American River Parkway.

Program Description: Park Maintenance Worker 1: This request includes the addition of Park Maintenance Worker 1 consistent with the Service Review Report provided to the Board in February 2017. The Park Maintenance Worker 1 would provide additional support to the American River Parkway Maintenance Division. A vital part of American River Parkway operations, the maintenance staff performs a range of tasks from litter removal, fire fuel reduction, natural disaster response and minor construction projects. As the Parkway infrastructure continues to age, the need for additional maintenance staff continues to increase. Additionally the Department has expanded its annual fire fuel reduction work plan in response to ongoing fire risks resulting in an increased need for additional staff to absorb the duties due to reallocation of staff time for fire risk response.

Since 2009, these funds have been included in the Department's budget, specifically in the ARP Maintenance program, as a revenue source funding the Sr. Natural Resource Specialist position. HRP fees are not a sustainable on-going revenue source, and the Department projects the fund will be depleted by Fiscal Year 2018-19 due to two Board initiated projects: (1) Purchase of the American River Raft Company Property and (2) Funding the American River Parkway Natural Resource Management Plan.

Program Description: Ranger Supervisor: This request includes the addition of a Ranger Supervisor consistent with the Service Review Report provided to the Board in February 2017. The additional Ranger Supervisor would provide the necessary staff oversight to cover the operating hours of the park system. The Department has identified gaps in supervision for the Ranger Division. Specifically, the Department has assigned a Ranger Supervisor to its special enforcement team created to target public safety issues such as crime, illegal camping and assaults in various areas of the Regional Park system. As a result of the focused enforcement effort, the Department does not have consistent supervision during the opening and closing shifts causing off-duty supervisors to be called in for support and consultation. This position would ensure that the Rangers have appropriate supervision throughout all hours that Rangers and Park Ranger Assistants are on-duty.

The Department expects the transfer of the Dillard Ranch to take place sometime around June 2017. As a result the Department will inherit the facilities in an "as is" condition. Based on the Department of General Services assessment of the existing facilities, the Department is expecting around \$210,000 of necessary costs to render the property safe and free of hazards for staff and possible future caretakers to inhabit the property. Improvements include lead and asbestos surveys, repairs or destruction of the existing ranch house and modifications to the power delivery system and other essential repairs.

Program Description: Extra Help and Overtime: This program requests funding for 1.5 FTE Park Maintenance Aide extra help and funding for overtime expenses related to additional warrant sweeps and targeted enforcement actions. The Park Maintenance Aides will support the cleanup of garbage, litter, and other camp debris, after offenders have been cleared from camps by law enforcement personnel and also engage in resource management protection practices to minimize loss of sensitive habitat areas. Public safety in the American River and Dry Creek Parkways has been the subject of much public scrutiny over the past decades. Illegal camping has created a perception of certain park areas as unsafe, and that perception has affected the willingness of the public to recreate in this area of the Parkway. As perception has become reality in the minds of many, however, there is constant pressure to make this portion of the Parkway more "user friendly" and safe. The Parks Department has dedicated a team of 7 park ranger peace officers to deal exclusively with the problems of illegal camping. Illegal camp clean up has been accomplished utilizing Park Maintenance Workers and extra help Park Maintenance Aides.

Strategic Objective: C1 --Develop and sustain livable and attractive neighborhoods and communities												
Program Description: Park Maintenance Worker 2: This request includes the addition of Park Maintenance Worker 2 consistent with the Service Review Report provided to the Board in February 2017. The Department added the Park Maintenance Worker 2 to our Service Review Report in response to the success the Department has experienced with revising the operations of the camp team and will result in an increase in trash removal from the Regional Park system. The Park Maintenance Worker 2 will provide staffing to maintain an average of 40 cubic yards of trash removed per day (Monday-Friday) which equates to about 10,400 cubic yards annually and a 2,600 cubic yard increase over the Department's current rate of trash removal. Under the current system, the Department diverts staff during the winter months to the illegal camping team, but starting in May the team will return to the traditional maintenance schedule, which decreases the daily rate for trash removal during the spring, summer and fall.

Program Description: Parking Lots and Roads: Funding for the repairs of the Gibson Ranch Park parking lots and roads. This is a transfer into the Parks Construction Fund. The parking lots and roads at Gibson Ranch Park are in dire need of repair. This funding will allow the Department to enter into a contract with a paving company for these repairs and will prolong life of the parking lot and roads.

Program Description: Park Interpretive Supervisor: This request includes the addition of a Park Interpretive Supervisor consistent with the Service Review Report provided to the Board in February 2017. The Park Interpretive Supervisor will coordinate the use and programming of park facilities throughout the County. The Department is responsible for diverse historical and open space resources that accommodate a variety of youth and adult education and programming experiences. The programming is provided by a variety of non-profit and community organizations who are all dedicated to providing quality programs. Over the past two years, community and nonprofit groups have been meeting in an attempt to coordinate activities across the Regional Parks system. As a result, the need for a single point of contact to coordinate activities and provide support to our community partners has been identified by the Department. This position will expand the use and availability of our Regional Park resources and programs throughout the County and will increase the connection the community has with Regional Parks, open space and community history.

PROGRAM DESCRIPTION:

County Parks Community Facilities District (CFD 2006-1) shall provide local and regional park maintenance and operation services for park, parkway, trails, park and recreational programs and open space facilities within the boundary of County Service Area 4B. This CFD funds construction of park amenities including trails, picnic areas, sports fields, community centers and restrooms; and also funds acquisition of parkland.

MISSION:

To provide local and regional park maintenance and operation services within County Service Area 4B, including acquisition of parkland, construction of park amenities including trails, picnic areas, sports fields, community centers and restrooms.

GOAL:

Provide local and regional park maintenance and operation services for the area at a level permitted by available resources.

RECOMMENDED BUDGET FUND BALANCE CHANGES FOR 2017-18:

The estimated decrease in available fund balance of \$11,079 from the prior year is due to dedication of funds for the Wilton Community Restroom Building in Fiscal Year 2016-17.

RECOMMENDED BUDGET RESERVE BALANCES FOR 2017-18:

Reserve— \$11,032

The Reserve is maintained to provide funding for capital projects. The reserve amount has increased by \$11,032 due to limited operations costs for Fiscal Year 2016-17.

PROGRAM DESCRIPTION:

County Service Area Number 4C was formed to provide local recreation and park services to the Delta area in the south county.

- Provides reservation and maintenance services for the Jean Harvie Senior and Community Center.
- Initiates, plans, and implements senior services and programs at the Jean Harvie Senior and Community Center and coordinates activities with other senior service providers.
- Augments community volunteer efforts to maintain Hood Park and Dr. Paul Barnes Park.

MISSION:

To provide safe, well maintained parks and community centers to the residents in the Delta region, and to implement programs and services at the Jean Harvie Senior and Community Center.

GOAL:

To provide safe and well maintained parks and programs for the residents of the Delta region at a level permitted by available resources.

SIGNIFICANT DEVELOPMENTS FOR 2016-17:

The Head Start pre-school program moved out of the Jean Harvie Community Center, which resulted in a decrease in annual revenues.

SIGNIFICANT CHANGES FOR 2017-18:

The Department is anticipating additional revenue from rental of the facility one day a week by a religious organization.

RECOMMENDED FUND BALANCE CHANGES FOR 2017-18:

The estimated decrease in available fund balance of \$8,879 is associated using the fund balance in Fiscal Year 2016-17 for increased costs associated with the well maintenance at Jean Harvie Community Center.

RECOMMENDED BUDGET FUND BALANCE CHANGES FOR 2017-18:

Reserve – \$14,467

This reserve is available for park and facility maintenance. Reserve remains unchanged since Fiscal Year 2016-17 Adopted Budget.

PROGRAM DESCRIPTION:

- Funding comes from the fines levied for violations of the State Fish and Game Code occurring in the County of Sacramento.
- Funds deposited in the Fish and Game Propagation Program must be expended on activities related to fish and game, including education.
- The Recreation and Park Commission makes annual recommendations to the Board of Supervisors regarding allocation of this fund.
- Funds are primarily used to support the Effie Yeaw Nature Center through a contribution to the American River Natural History Association non-profit that is currently operating the Center through a lease agreement.

MISSION:

Our mission is to provide educational programs to Sacramento County residents regarding the importance of the local watersheds and fisheries.

GOAL:

Grow community stewardship of local watersheds, wildlife and natural resources.

RECOMMENDED FUND BALANCE CHANGES FOR 2017-18:

The estimated decrease in available fund balance of \$1,857 over the prior year due to the utilization of fund balance to support programs at Effie Yeaw Nature Center in Fiscal Year 2016-17.

RECOMMENDED BUDGET RESERVE BALANCES FOR 2017-18:

Reserve for Future Services – \$20,563

Reserve is maintained to provide consistent support of educational programs at Effie Yeaw Nature Center through contributions to the American River Natural History Association. The Reserve amount has decreased by \$4,857 since Fiscal Year 2016-17 Adopted Budget.

PROGRAM DESCRIPTION:

Manage three championship golf courses with fee management agreements: Ancil Hoffman, Cherry Island and Mather Golf Course. Manage long-term lease for Campus Commons Golf Course.

MISSION:

To provide the highest quality public golf course facilities and services to the widest range of county residents and visitors to the region, at competitive prices.

GOAL:

To make Sacramento County a destination for golfers and increase the number of rounds played on county golf courses.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- A Request for Proposal was released for the Fee Management Agreement for Mather Golf Course.
- Significant rain storms and flooding damaged courses, and kept golf courses closed to the public, resulting in decreased revenues.

SIGNIFICANT CHANGES FOR 2017-18:

Drainage work at Mather Golf Course will be completed to help address on-going issues with prolonged water on the course after rainstorms.

RECOMMENDED FUND BALANCE CHANGES FOR 2017-18:

The estimated Fund Balance has decreased \$371,834 due to decreased revenues in Fiscal Year 2016-17, as a direct result of the extended rains and subsequent flooding and/or temporary closures of the golf courses.

PROGRAM DESCRIPTION:

The budget unit provides for acquisition, development and improvement of County Regional Park’s properties and is funded by grants, donations and other one-time funding sources.

MISSION:

Our mission is to acquire and develop land and other facilities for the recreational use of the residents of Sacramento County and to restore and protect the fragile ecological balance of our natural habitats so that the diverse and abundant wildlife can continue to thrive.

SIGNIFICANT DEVELOPMENTS DURING 2016-17:

- The Chase Drive Trail Connector to the American River Parkway was completed.
- Significant rainstorms and flooding caused trail and facility damage which will need to be repaired.

SIGNIFICANT CHANGES FOR 2017-18:

The Department has identified over \$45 million in unfunded capital improvement projects in the Regional Parks system, which were captured in the Fiscal Year 2017-18 5-year Capital Improvement Plan.

RECOMMENDED BUDGET FUND BALANCE CHANGES FOR 2017-18:

The estimated decrease in available fund balance of \$343,685 from the prior year is due to use of fund balance to complete capital improvement projects.

RECOMMENDED BUDGET RESERVE BALANCES FOR 2017-18:

- **Reserve for American River Parkway — \$3,365**
 - This estimated reserve is maintained to provide funding for capital projects in the American River Parkway. Reserve remains unchanged since Fiscal Year 2016-17 Adopted Budget.
- **Reserve for Loan to County Service Area 4C — \$8,986**
 - This estimated reserve is maintained to provide funding for capital projects in County Service Area 4C. Reserve remains unchanged since Fiscal Year 2016-17 Adopted Budget.
