The mission of the Sanitation Districts Agency (SDA) is to protect and enhance public health and the environment through safe collection, conveyance and treatment of wastewater in the Sacramento region. The Agency provides the staffing and labor to oversee and carryout the goals and missions of the Sacramento Area Sewer District (SASD) and the Sacramento Regional County Sanitation District (SRCSD), including the operation of the Sacramento Regional Wastewater Treatment Plant (SRWTP).

The Agency consists of five departments whose directors are responsible for the day to day activities to operate and maintain more than 3,000 miles of mainline pipe, 1,400 miles of lower lateral pipe, 117 pump stations, 169 miles of interceptor pipelines, and the SRWTP. The Directors also oversee the master planning process and the plan, design, and construction of capital projects that are not included in the County's budget but in a separate budget document for SASD and SRCSD, respectively. The following departments report directly to the Agency:

Sacramento Regional County Sanitation District Operations – Provides wastewater conveyance, treatment and disposal for residents in the Sacramento Region. This department also operates and maintains an interconnected system of interceptor pipelines, pump stations and the SRWTP.

Policy and Planning – Monitors and directly engages in the regulatory process; advocates on federal and state issues; and works with regulatory agencies to develop permits for both SRCSD and SASD. The Department also evaluates life cycle costs to ensure current and future facilities are sustainable; administers a pretreatment program and local permit programs, new user investigations and initial permitting; and conducts incident response for suspected or actual illegal discharges of wastewater to the collection system, interceptor or treatment plant.

Internal Services – Provides administrative services and support to both SRCSD and SASD in the areas of; fiscal; administration; payroll and personnel; information technology; records management; training; real estate; purchasing and stores.

Districts Finance – Provides financial oversight and support to both SRCSD and SASD; prepares Comprehensive Annual Financial Reports and other financial reports; issues bonds and manages the related debt service; sets rates and fees; reviews and monitors agency budgets; and develops financial policies and procedures.

Public Affairs – Provides communications support to SRCSD and SASD for public outreach, print and web-based materials for both internal and external audiences, media relations, education programs, communications counsel and training, public meeting coordination, event management and strategic planning.

Sacramento Area Sewer District Operations – Provides sewer services to build, operate and, maintain the system of piping and pump stations that collect and convey wastewater from homes and businesses to the SRWTP.

PROGRAM DESCRIPTION:

- The Department of Sacramento Area Sewer District (SASD) Operations of the Sanitation Districts Agency provides staffing to support and carryout the mission and goals of the SASD.
- The Sacramento Area Sewer District (SASD) is governed by a Board of Directors comprised of the Sacramento County Board of Supervisors and one representative each from the cities of Citrus Heights, Elk Grove, Folsom, Rancho Cordova, and Sacramento.
- Due to the increase in the number of seats to the District’s Board of Directors from member jurisdictions, the Board is no longer a blended component of Sacramento County. As such, the county budget document reflects only the salary and benefit appropriations of the SASD budget. All other appropriations are reflected in a separate SASD budget document.

MISSION:

To protect public health and the environment by efficiently and effectively collecting sewage for our community.

PROGRAM DESCRIPTION:

- The Sacramento Regional County Sanitation District is governed by a 17-member Board of Directors comprised of the Sacramento County Board of Supervisors; one representative each from the cities of Citrus Heights, Folsom, Rancho Cordova, and West Sacramento; one representative from Yolo County; five representatives from the City of Sacramento; and two representatives from the City of Elk Grove.
- The Sacramento Regional County Sanitation District (Regional San) is comprised of the following departments:
 - **Operations** – Provides staffing to support and carryout the mission and goals of the Regional San including construction, monitoring, repair and maintenance of district assets.
 - **Internal Services** – Provides consolidated administrative support to Regional San and the Sacramento Area Sewer District (SASD). The Department is responsible for fiscal; administration; payroll and personnel; information technology; records management; training; and purchasing and stores.
 - **Policy and Planning** – Provides support to Regional San and SASD districts to monitor, advocate, and engage in the state and federal regulatory process. The Department is also responsible for the Master Plan updates; sustainability efforts; source control programs; and source reduction programs for both Regional San and SASD.
 - **Finance** – Provides financial and debt management support to Regional San and SASD and is responsible for the preparation of the Comprehensive Annual Financial Reports, grant reporting and other financial reporting; issuing and monitoring bonds; revenue projection and analysis; and financial compliance and auditing, including budget review and analysis.
 - **Public Affairs** – Provides communication support to Regional San and SASD for construction projects; print and web based materials for internal and external audiences; media relations; public outreach and education programs; event management; and strategic planning.
- Due to the increase in the number of seats to the District’s Board of Directors from member jurisdictions, the Board is no longer a blended component of Sacramento County. As such, the county budget document reflects only the salary and benefit appropriations of the Regional San budget. All other appropriations are reflected in a separate Regional San budget document.

MISSION:

Regional San protects public health and the environment by conveying, treating, and recovering resources from wastewater responsibly and cost effectively. Our goal is to continue to be a leader in environmental stewardship and a trusted partner in regional sustainability.
